Power Washing Team Driver/Member

Power washing of sidewalks, drive thrus, and dumpster areas of commercial or retail properties. This is a full or part time position during the months of March - November. We service our customers overnight (third shift) on the weekdays. There is a possibility of overtime with this position. Wage is negotiable based on experience and driving capabilities.

Tasks:

- Operate vehicles and powered equipment, such as heated power washing unit.
- Use hand tools, such as squeegees and brushes.
- Maintain or repair tools, equipment, using hand or power tools.
- Provide proper upkeep of sidewalks, drive thrus, dumpster areas, patios, driveways, and parking lots.
- Reading and interpreting maps and route sheets to provide accurate service.

Work Activities:

- Performing general physical activities – move or lift heavy objects.
- Performing work in extreme weather conditions: heat/cold, rain/snow/ice.
- Ability to work long hours.
- Controlling machines and processes.
- Inspecting equipment, structures and materials.
- Repair and maintaining mechanical equipment.
- Operating vehicles, mechanized devices, or equipment.
- Properly handling and moving objects.
- Ability to gather information, identify objects, actions and events.
- Making decisions and solving problems.
- Organizing, planning and prioritizing work.

Job Requirements:

- Cell phone, with text messaging capabilities.
- Neat, clean appearance.
- Should be able to work with a 2-6 hour lead time, if necessary.
- Reliable transportation at all hours, daily.
- Clean driving record to be able to operate our trucks. CDL is a plus.
